

Third party software permission

O'Connor Cooperative School is committed to providing exceptional educational experiences for all children which support the use and development of digital technologies. To support these experiences educators draw upon a range of third party software to:

- Enrich learning experiences;
- Develop strong links and partnerships home and school;
- Develop student capacity to engage and create with digital technologies.

We are seeking your permission for us to provide some student information to the following third parties:

Name of provider	Seesaw
Type of service	Student driven digital portfolios
Website	http://web.seesaw.me/
Privacy policy	http://app.seesaw.me/about/privacy
Information provided to Seesaw	Access to student's first name, grade level, images and documentation captured by educators ; which have been uploaded to support the development of an individual digital portfolio.

Further information surrounding the use of this software may be obtained by speaking with myself or Jenny; or visiting the Seesaw website listed above.

Please complete the attached permission form and return to your child's class as soon as possible so that I may send you an invitation to join.

Kind regards,

Jenny Loudon.
