

O'Connor Cooperative School Song

1. Water-wise and waste-wise
We are very wise,
We recycle
With a smile,
We make friends easily,
School and community,
Very kind people,
That's our style,

CHORUS We are, we are the Cooperative School,
Small and great,
What do we do at the Cooperative School?
We cooperate,

2. Circle time is our time,
A chance-to-speak time,
Personal positives,
In every way,
Out in the playground,
We have always found
We are learning
Through safe play,

CHORUS

BRIDGE The Co-op, the Co-op, the Co-op School,
Yours and mine,
The Co-op, the Co-op, the Co-op School,
Come and see us any old time,

3. We'll accept you,
We'll include you,
Here in O'Connor,
Togetherness,
Care-wise and share-wise
We take first prize,
Respect for each other
Nothing less,

CHORUS
